## Managing Director's Message

I have always found Porcelain Tableware fascinating – the beauty of a fine dining table setting on a white tablecloth with cutlery placed in the right places shows exquisite attention to detail.

With the best machinery from around the world, and professionals of the highest degree from a diverse number of countries, Star Porcelain Limited aims to offer you exactly that – exquisite attention to detail when serving you.

All our products, our employees and our services are at your service. You are not our customers, you are our partners.

## the brand

Star Porcelain – The successful combination of professional experience, creativity, unique technical know-how, attention to finesse and the care given to the fine details, make Star Porcelain one of the leaders of the Porcelain industry.

Thanks to our technical know-how, the latest generation of industrial equipment and a creative team of experts, a high quality durable product is born, suitable for all professional hospitality businesses, offering a range of options from the most refined restaurants to the more demanding catering segment.

All our collections are designed by industry professionals for industry professionals, encompassing creativity, functionality, durability and timelessness. Created to meet the stringent specifications of the hospitality Industry, Star Porcelain, the high-grade alumina fully vitrified fine porcelain tableware brand can withstand the rigors of catering with their unsurpassed quality standards and incomparable structure. The exclusive designs of our collection provide the perfect showcase to spotlight the food turning every meal into a cuisine.

## the company

Star Porcelain was created in 2012 by a group of partners having countless years of experience in the porcelain tableware manufacturing and distribution industry. Among these partners is businessman Dr. Khater Massaad, the Founder and Chairman of the brand Star Porcelain Fine Porcelain.

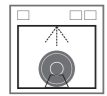

## vision

Our vision is to create value by contributing to the success of its customers by providing best-in-class porcelain tableware designs and manufacturing solutions in high technology areas.

## mission

Our Roadmap starts with our mission, which is enduring. It declares our purpose as a company and serves as the standard against which we weigh our actions and decisions. To refresh the world... To inspire moments of optimism and happiness... To create value and make a difference.

## quality without compromise

### Dishwasher Safe

Our extremely high firing temperature allow colors, patterns and design elements to fuse permanently with the body of the product, making it highly resistant to repeated dish washing cycles at any temperature.

### High Chip Resistance

The significant composition of high alumina raw material offers strength and resistance against chipping at critical points such as edges of cups, plates and handles. This configuration reinforces the porcelain, reducing risk of breakage and increasing the product's endurance.

### Limited Danger in Case of Breakage

The products are designed to avoid breakage hazards, as they break cleanly into safely manageable pieces.

### Thermal Shock Proof

Star Porcelain not only retains heat to keep the food warm, but is also resistant to variations in temperature.

### Sleek & glossy Appearance

The special glaze fired at high temperatures not only gives all our products a smooth and polished finish, but also ensures a non-porous surface for higher levels of hygiene.

### Absolute Functionality

All our designs focus on sheer functionality to conform to industry guidelines. Most of our items are stackable including cups, bowls and platters, a design ingenuity that facilitates efficient optimization of space.

### Microwave & Salamander Safe

High temperature firing imparts safety from microwave and salamander deterioration.

### Abrasion Proof

The extraordinary glazing fired under highly controlled conditions ensures strong resistance to scratches and abrasions.

## quality standard & certifications

We pride ourselves in the quality of our products. In order to ensure that all our products meets customer and industry expectations they are all subject to rigorous and stringent testing in both inhouse and independent research laboratories.

Star Porcelain ensures the highest standard of Finished Products through state-of-the-art quality control Laboratories such as USFDA and California State Proposition 65 as certified by UKAS from the UK and has been accredited by ISO & Ceram Research UK for emerging as a superior quality Porcelain Tableware brand of World class International standards.

Our products have also been approved by the Vegetarian Society in UK as well as halal Certified to provide an ultimate and absolutely hygienic vegetarian solutions catering to satisfy the Vegetarian. This we have done not only for the highly competitive porcelain tableware industry but also for those markets that are solely and exclusively vegetarian.

### Star Porcelain complies with the following International standards:

- Chip resistant
- Hygienic
- Dishwasher safe
- Durable
- Scratch resistant
- Microwave & Oven safe
- Chemical resistant
- 100% Vegetarian
- High thermal shock resistant

## the designers

### Alain & Dominique Vavro

Our designers Alain & Dominique Vavro work with two heads, four hands and thousand colors. Sensitized to the vibrations of the masters' paintings, Mondrian's constructions and the furious Picasso, they remain faithful to pens, pencils, paintbrushes and tracing paper, allies that enable them to extend their ideas and catapult their images.

Dubbed by the greatest, including Bocuse, they have explored for more than twenty years, they constantly changing world of porcelain and tableware. Depositories of the designs for Star Porcelain new collections, they lend their experience and sensitivity at the service of this great project to make this company an aesthetic leader of high-end porcelain tableware.

### Nilo Gioacchini

After completing his art studies and a period at the ISIA [Institute of Artistic industries] in Florence, he worked at the Studio of marcello- Nizzoli and associates in Milan as a design manager. All his work is characterized by a I methodological approach, a concrete, pragmatic attitude to projects, free from any conventionalism in terms of specialization or trends.

In over 35 years of professional activity he has worked with the most Important Italian and international companies. His work has been recognized by countless design publications, catalogues and magazines. He has received considerable international recognition including the "National Mobile Fair Competition" in Trieste, the Bayer Italia Special Award and the Abet Print Award. His projects have also participated in some of the most important national and international shows.

### Nathalie Douce

Nathalie Douce, a French Artist-Designer, lives and works in Paris.

A prolific creator, working on unique and personalized objects through (inferior designs (objects, furniture and decorations) she now focuses essentially on design.

Besides- collections and decorations of porcelain which she creates for Star Porcelain", following her meeting with Dr. Khater Massaad in 2014, she works on the designs for ceramic industry (Sanitary, Tiles...) but also for the creation of new concepts for the international markets both for objects of regular use which is of practical applications and for the domain of luxury.

Her inspiration: Nature, Travel and her surroundings.

Her creative "engine": freedom and curiosity.

Pure design is an abstraction. Drawing and colour are not distinct, everything in nature is coloured. For an Impressionist to paint from nature is not to paint the subject, but to realize sensations. All products are homogeneous NOT identical.

# decal decoration

Design must be functional, and functionality must be translated into visual aesthetics without any reliance on gimmicks that have to be explained. A formally harmonious product needs no decoration; it should be elevated through pure form.

Star Porcelan have its own decal plant with full fledged pre-press setup. In-house macintosh dekstop facilty with skilled designers have ensured us to reflect exact color requirements (up-to 30 number of color) of any kind of decal artwork. Both Onglaze and under glaze is possible to fire based on design requirements i.e color decal, re-active (embossed), precious metal (Gold/Silver/Platinum).
